## Individual mobility

Silverson stands for exclusive passenger transport with excellent service.

Our company, our employees and our vehicle fleet have been setting standards for years in the segment of individual and high-quality mobility.

Our philosophy is to present our discerning customers with a special offer that is individually designed to meet their needs.

# Climate-neutral

We are the first company in Europe in the upscale passenger transport sector to drive completely climate-neutral for you!

We achieve this by voluntarily paying a contribution to climate protection projects that compensate for an equivalent amount of CO<sup>2</sup> emissions.

This is lived sustainability and extremely important for us!

## Business Service

Together we can ensure that business trips are individual and appropriate. We offer you optimal safety, relaxation, comfort and discretion and guarantee the highest quality in vehicle equipment and service.

## Travel Service

Thanks to many years of experience and the numerous contacts we have built up as a result, we can offer you a package for your travel event that is completely tailored to you, your needs and your wishes.

Whether you are planning a trip with your employees, customers, friends or family.

# Quality

As a member of the Gütegemeinschaft Buskomfort (gbk) we guarantee you the highest quality - both in both in terms of vehicle equipment and service.

With the RAL Bus Comfort quality mark, our high standards are standards are put under the supervision by a by a neutral testing organization.

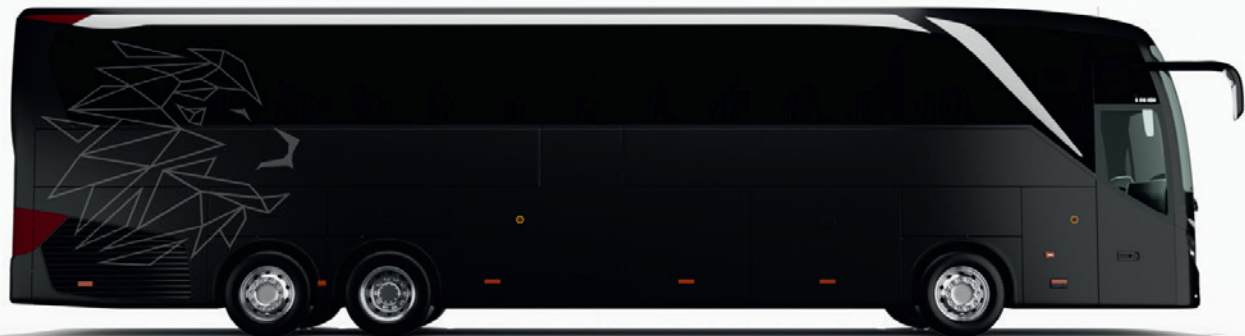

# Canapees, fingerfood or buffet

Buscatering exactly how you wish

Enjoy canapés, finger food or our exclusive breakfast buffet on the road with Silvervision. Among our wide selection of canapés, finger food and our exquisite breakfast buffet, there is something for every taste.

With our impressive range of goods, we also fulfill the wishes of vegetarians or allergy sufferers. Our catering even meets the needs of upscale customers with more exclusive requirements. For example, our delicious baguettes are available with mozzarella, tomato and basil or Italian salami with olive or duck breast with mango. Even fish lovers get their money's worth here, because we top our canapés for example with deep sea shrimps and creme fraiche or gravad salmon with dill.

Our canapés and finger food are available as breakfast or as a snack for in between.

# Individual branding

Your logo on our luxury vehicles

Your individual branding or your own logo can be integrated attractively with Silvervision. You have the desire to apply your individual branding or your own logo on our discreet black vehicles?

We are happy to comply with this request, because your customer wishes and needs are very important to us, no matter whether a discreet logo or your complete branding, we realize your wishes from A - Z.

After all, we want you to be able to identify completely with the exclusive vehicle you have chosen.

## Our Partners

Thanks to our nationwide network, we and our partners are always available for you at virtually any location. That way we can offer you an almost nationwide limousine, VIP, business and conference bus service.

The vehicles have a dark exterior design and are used almost without exception without a company branding. Almost all of them have identical features and differ only slightly.
